

Booking Deal Discounts

Applying Discounts and Surcharges at Booking Level

Applying Booking Deal Discounts

Discounts and surcharges can be applied directly at booking level via the **Booking Deal** screen.

To access Booking Deals:

1. In **Month View**, select a booking value within the calendar
2. In **Day View**, select the booking value for the specific date

Within the Booking Deal pop-up:

1. Select the **Discount or Surcharge Type**
2. Enter either a **percentage (%)** or a **value**
3. Specify whether the discount or surcharge is applied to the **Customer**
4. Select **Save (📁)** to apply the change

The Booking Deal pop-up includes multiple tabs that provide visibility into all discount sources associated with the booking:

- **Vendor Deal Discounts:** Displays discounts applied on the vendor side
- **Customer Deal Discounts:** Displays discounts applied on the customer side
- **Discounts:** Displays a consolidated view of all discounts applied to the booking

Editing Booking Deal Discounts

To amend an existing discount:

1. Select the **edit icon (✎)** on the discount line
2. Update the percentage or value
3. Specify whether the modification applies to the **Customer**
4. Select **Save (📁)** to apply the change

Note:

- The **Discount Code** and **Discount Type** are not editable
- If these need to be changed, the discount must be removed and recreated

Removing Booking Deal Discounts

To remove a discount or surcharge:

1. Set the percentage or value to **0**
2. Specify whether the modification applies to the **Customer**
3. Select **Save (🔒)** to apply the change

The discount will be removed from the booking.
